In the event that the number of qualified riders entered in the ASPCA Maclay Finals is less than 175 riders the NHS reserves the right to invite enough additional riders to fill the vacant slots. These riders will be invited based upon ASPCA Regional Championship class results.

Riders may compete in a total of fourteen (14) Maclay classes in a single qualifying period. Any rider who continues to compete after they have competed in fourteen (14) Maclay classes will no longer be eligible to compete in the Finals (Exception: If a rider is not yet qualified for the Finals based on their official rider point state of residence with the USEF after fourteen (14) Maclay classes, that rider may continue to compete until qualified for the Finals.) For the 2020 qualifying period riders may compete in the Regionals of their choice provided they are qualified for either the Finals or Regional Competition based on their official rider point state of residence with the USEF. Riders planning to compete in a Regional other than that of their home state must fill out a Regional Declaration form (forms may be downloaded from NHS.org website) to declare in which Region they will compete.

It is the rider's responsibility to calculate and know their points as well as the number of classes in which they have competed.

The qualifying period for each year's Regionals ends August 31. If a horse show starts on or before August 31, Maclay points acquired at that show will count towards the current year.

REGIONALS

Course

The course for each Regionals shall be designed by a USEF Course Designer who must be selected and/or approved by the NHSAA. Any Regionals course must adhere to the above stated specifications and be of sufficient difficulty to typify the Finals and reflect the importance of the class. While the courses at all Regionals need not be identical, they should reflect equal difficulty and challenge.

Judging

Each Regionals shall have two (2) "R" Judges. One of these judges must be selected from the approved list of judges supplied by the NHSAA. The second judge is not required to be selected from this list, but must be approved by the NHSAA. Judges for the Finals are ineligible to judge any Regionals in the same year.

Riders are to be judged on seat, hands, guidance and control of horse.

Two refusals will eliminate a rider from Regionals competition.

After completion of the jumping phase, if available, a minimum of ten (10) more riders than one-half the number of riders competing in the Regionals are required to show at a walk, trot and canter. At the sole discretion of the judges, additional flat work may be called for, but all groups must be asked to perform the same tests. No more than twenty (20) riders at a time may be asked to work together in a group at the same time. The flat performance of those riders selected to show in the flat phase shall count 50%.

After the flat phase the Judges may request further testing using USEF tests 1-16. Riders may only be selected for further testing if after the flat phase they are already assured an invitation (based on percentages) to compete in the Finals.

The Judges will select a Champion, Reserve Champion, and Third through Tenth place finishers at each Regionals. In addition, the judges will determine a stand-by list of all the additional entrants who returned for the flat phase. This stand-by list will be announced publicly, made available to all competitors and emailed to the NHSAA office.

When the Regionals are completed and the riders qualified for the Finals have been selected the judge's cards will be immediately sealed. The judge's cards and a detailed copy of the course diagram will be emailed directly to the NHSAA office.

Selecting or Changing a Region

For the 2020 qualifying period riders may compete in the Regionals of their choice provided they are qualified for either the Finals or Regional Competition based on their official rider point state of residence with the USEF. Riders planning to compete in a Regional other than that of their home state must fill out a Regional Declaration form (forms may be downloaded from NHS.org website) to declare in which Region they will compete.

Residents from any non-USEF Zone Area

In case of a permanent residence in any non-USEF zone area, such as Canada and Puerto Rico, a rider may choose to compete in any Regionals so long as he or she meets the minimum qualifying requirement of 7 points for the Finals, or 3 points for the Regionals. These riders must fill out a Regional Declaration form (forms may be downloaded from NHS.org website) to declare in which Region they will compete.

Entries and Entry Closing Dates for Regionals

Entries for Regional Maclay Championship classes close, and must be received by, 5:00 p.m. Eastern Time, September 1, at the NHSAA's office, except if that date should fall on a Sunday, in which case they must be received no later than 5 p.m. on the following Monday. The NHSAA reserves the right to reject any late or unsigned entries or entries not submitted with all entry fees.

Stall reservations and all other entry and class fees, including competition and processing fees for other classes which might be held during the same competition, must be provided directly to the competition hosting the Regionals.

Selection of Riders for Finals

In the event that the number of qualified riders entered in the ASPCA Maclay Finals is less than 175 riders the NHS reserves the right to invite enough additional riders to fill the vacant slots. These riders will be invited based upon ASPCA Regional Championship class results.
